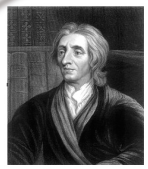
David Hume

The corruption of the best things gives rise to the worst. Custom is the great guide of human life.

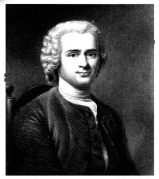
Thomas Hobbes

There are three causes of strife in human nature: rivalry, distrust, pride.



John Locke

For no government can have a right to obedience from a people who have not freely consented to it.



Jean-Jacques Rousseau

Rousseau Man was born free, and he is everywhere in chains. Those who think themselves the masters of others are indeed greater slaves than they.

Hugo Grotius

Every nation is free to travel to every other nation, and to trade with it.
