ASSIGNMENT

WHEREAS, IOT Human Messaging, LLC, a Florida limited liability company having a place of business at 711 SW 24th Avenue, Boynton Beach, Florida 33435 ("Assignor") is the current owner and assignee of Systems and Methods for Delivering Activity Based Suggestive (ABS) Messages, U.S. Patent Number 9,069,648, filed January 25, 2012 (the "Patent").

WHEREAS, Motivational Health Messaging, LLC, a Florida limited liability company having a place of business at 711 SW 24th Avenue, Boynton Beach, Florida 33435 ("Assignee") desires to acquire Assignor's entire right, title and interest in and to the Patent and any patents (and any continuations in whole or in part, divisions, reissues or extensions) that may be granted and Assignor is willing to enter into such assignment.

NOW, THEREFORE, effective May 1, 2017, and in consideration of the sum of One Dollar (\$1.00) in hand paid and other good and valuable consideration the receipt of which is hereby acknowledged, Assignor has sold, assigned, transferred and set over, and does hereby sell, assign, transfer and set over to Assignee its entire right, title and interest in and to the invention and Patent as well as such rights in any divisions, continuations in whole or part, reissues, extensions, reexams or substitute applications for the entire term of the patent and any reissues or extensions that may be granted and for the entire terms of any and all foreign patents that may issue from foreign applications as well as such rights in any divisions, continuations in whole or part, reissues, extensions, reexams or substitute applications filed claiming the benefit of the Patent.

Assignor authorizes the United States Patent and Trademark Office to issue any patents resulting from the Patent to Assignee. The right, title and interest is to be held and enjoyed by Assignee and Assignee's successors and assigns as fully and exclusively as it would have been held and enjoyed by Assignor had this assignment not been made.

Assignor hereby covenants that it has full right to convey its entire interest herein assigned, and that it has not executed, and will not execute, any agreement in conflict with this Assignment;

Assignor further agrees to: (a) cooperate with Assignee in the prosecution of any divisions, continuations in whole or part, reissues, extensions, reexams or substitute applications and foreign counterparts of the Patent; (b) communicate to Assignee any and all facts known to it respecting said Patent and further prosecution; (c) execute and deliver all papers that may be reasonably necessary or desirable to perfect the title to any aforementioned patent applications, patents and inventions; and (d) perform such other acts as Assignee lawfully may request to obtain or maintain the Patent for the invention in any and all countries.
