I'm not sure about the status of report language on the broader PatAct Reauth bill or these amendments. I've cc'd  from our office on the email.   
 do you know anything about report language explaining the purpose/intent of the language defining libraries in S2271?

 - is this language problematic from your perspective?

It looks like I'll have to just call in on speaker phone instead of by VTC, because the main conference room at ERF is booked solid.

Can you give me the telephone number in the OGC conference room to call into on?

Thanks.
