[redacted] we are getting a lot of NSLs where the carrier gives us more than we ask for, usually toll/billing. If we have the language in the letter that refers to their billing cycle and they give us more than we asked for we don't have to do an IOB correct?

Second part, the responsibility for reviewing the results and taking appropriate action is [redacted] isn't it? [redacted]

The EC describing the Revised Procedures for the Submission of Reports of Potential IOB Matters was uploaded into ACS on November 28, 2006, 278 HQ C1229736 Serial 2570. An electronic copy of this EC is attached for your convenience. In light of this recent guidance, it is clear that OGC/NSLB needs a continuing dialogue with all of the field offices regarding IOBs. Within the next few weeks, NSLB hopes to establish a frequently asked question list about IOBs on the OGC website.

If you have any questions about the new policy or IOBs in general, or if there are any reoccurring issues that you would like included in this list, please feel free to contact Sally Moyer or me.
