Hi [redacted]

I am the attorney in NSLB who has inherited this IOB from [redacted] who has since left for the [redacted] office.

I am close to finishing writing it up (the errors providers make are still being reported to the IOB but we hope to end that soon)--I just need to know who the subject was. The case name is on the EC but not the subject.

Could you also give me a line or two about the investigation, so I can include that in the EC,  
As soon as I get this info from you, I will push it forward.

Thanks so much,
