~~(S)~~ [Redacted] Field Office will conduct logical investigations on telephone numbers [Redacted] and [Redacted] and the subscribers, as well as, any names and addresses associated with these numbers in order to confirm/verify any terrorist association. CAU will issue NSL(s) to obtain subscriber information on the numbers and will provide this information to the appropriate field office(s) upon receipt. Receiving offices will furnish results to appropriate FBIHQ entities, and are reminded to observe all classification markings, caveats, and instructions. Investigation results should be forwarded to appropriate FBI entities.
