When did we resolve that we could sign for Julie on NSL ECs? You can sign for me but not Julie - the DAD takes the place of Julie at LX 1 - neither Julie nor Valerie need to be on the EC.

Since we recently resolved that NSLB attorneys at LX-1 could sign the approval line for Julie on NSL's out here when [redacted] was signing the NSL, does this mean we're signing for Valerie in Julie's absence?

Just a reminder that Julie is out until 7/11/05. Please advise your clients that NSLs need to carry Valerie Caproni on the signature line and the EC needs to have her on the approval and state that the General Counsel (not the Deputy General Counsel) has approved the request. Thanks.
