#### East Bay Prisoner Support's Blurbs

##### About me:

East Bay Prisoner Solidarity is a newly formed prison abolition group and a member of the anarchist black cross network. We provide extensive support for prisoners as well as people fighting the prison-industrial complex.

..... The Long Haul Infoshop hosts our

prisoner support night on Wednesdays from 7-8:30pm. We welcome anyone who is interested in participating in such a project. We have various materials that offer information about political prisoners, prison conditions, grand jury resistance, security culture, campaigns, event information, and resources for prisoners. We serve as a resource center that provides information about bay area prison abolition and prison support work, as well as some information on national and international prisoner support activities. We are also building a prison-related zine, book, and video library. We also provide envelopes and stamps so that we can have pen-pal writing, and send resource materials out to prisoners. .... Some volunteers have been active in Prison Activist Resource Center, and Anarchist Black Cross. We hope to continue to collaborate with these organizations and others as we carry on this project. We encourage anyone to join our group or to send out relevant materials to help our resource library grow. Send to 3124 shattuck ave. Berkeley, California 94705. attn: prisoner support Feel free to email as well. ebps@riseup.net
