10. NARRATIVE

SUMMARY:
Multiple UC Berkeley professors reported receiving harassing email messages relating to animal rights research. The messages were received between 03/19/08 at 2003 hours and 03/25/08 at 2111 hours from an unknown suspect.

ATTACHMENTS:
Copy of affidavit and court order for records
Copy of email response to court order from Sonic.net

NARRATIVE:
On the evening of 03/19/08, multiple UC Berkeley professors began receiving harassing email messages. The messages were sent to professors who conducted research on animals. Between 03/19/08 at 2003 hours and 03/25/08 at 2111 hours, the following professors received harassing email messages **Redacted - Private Information**

Redacted - Private Information

The professors forwarded the email messages to me. The messages had subject lines such as, "Hey animal killer," and "Why do you torture and kill animals?" The messages contained obscene comments like, "The blood is on your hands you speciesist [sic] scum. They die, you profit. Sick motherfucker." The sender used email accounts falsely created in the names of the professors to send the email messages. The following accounts were used: [redacted]@yahoo.com, [redacted]33@yahoo.com, [redacted]01@yahoo.com, [redacted]11@yahoo.com

Redacted - Private Information

Additionally [redacted] reported that on the night of 03/19/08 he began receiving calls from strangers responding to an ad on Craigslist, which stated he was giving away DVDs and CDs. [redacted] did not place such an ad. [redacted] also received an email message on 03/19/08 from a man who was responding to a Craigslist personal ad that [redacted] did not place. The text of this message read, "Would love to be of service. WM, 34, 5'9, 175, brown, blue, 7. Pic?" The message included a picture of a sweaty man who appeared to be running in a race.

On 03/20/08, I received two email messages from **Redacted - Private Info** who is the wife of UC Berkeley professor **Redacted - Private Info**. She reported that on the night of 03/19/08, she received calls from people in response to a Craigslist posting that was advertising a free flat screen computer monitor. The ad listed their home phone number. Neither [redacted] nor [redacted] posted this ad. One of the callers called three times and told [redacted] she communicated with someone with the email address [redacted]33@yahoo.com, who directed her to keep calling back to ask for [redacted] or [redacted].

On 03/25/08, [redacted] forwarded me two email messages he received prior to the latest barrage of email harassment. These messages did not contain obscene content or threats. The senders indicated they objected to conducting research on animals. [redacted] received the first message on 03/10/08. The sender's name was [redacted] and the email address was dzamafreez@hotmail.com. [redacted] received the second message on 03/13/08. The sender's name was [redacted] and the email address was danieltucker_@hotmail.com.

10. NARRATIVE <p>When and forwarded the harassing messages they received, they were able to include the complete header information. I examined the header information and noticed both messages came from the same IP address, which was 208.106.103.213. I traced this IP address back to a company called Sonic.net. On 03/20/08, I wrote a court order to obtain records from Sonic.net. Judge Robert McGuiness signed the order at the Wiley W. Manuel Courthouse in Oakland on 03/20/08. On 03/20/08, I served the order on Sonic.net via fax. I received an email reply from Sonic.net on 03/21/08. I learned that at the time the harassing email messages were sent, the subscriber for IP address 208.106.103.213 was Jessy Palmer and the subscriber's address was 3124 Shattuck Avenue in Berkeley. I recognized this address as belonging to the Long Haul Infoshop. The Long Haul is known to be a resource and meeting center for radical activists. Animal rights activists have been known to hold meetings at the Long Haul.</p> <p>I printed copies of the email messages the professors forwarded to me and booked them into evidence at UCPD.</p> <p>Nothing further.</p>

COURT ORDER
◆ SUBPOENA FOR INFORMATION ◆

TO: Sonic.net, Inc.
Custodian of Records

RE: Subscriber information for IP address 208.106.103.213

Order: Pursuant to California Evidence Code § 1560(2)(b) you are ordered to provide the following information pertaining to the above requested information.

□ Subscriber information for IP address 208.106.103.213

The dates and times of use for this IP address were:

- 03/19/08 at 2032 hours (Pacific)
- 03/19/08 at 2037 hours (Pacific)

Subscriber information shall include all available customer information including, but not limited to: name, phone number, street address, email address, and dates of service.

Nondisclosure Order: Having determined there is probable cause to believe that disclosure of the existence or execution of this order would impede a criminal investigation, it is ordered that Craigslist Custodian of Records, on whom this order is served, and all its officers, employees, and agents shall not disclose to any person any information regarding the existence or execution of this order.

Judge of the Superior Court

Affiant's Name: Detective William Kasiske
Affiant's Agency: University of California Berkeley Police Department
RE: Subscriber information for IP address 208.106.103.213

Your affiant says that the facts in support of the issuance of the court order are as follows:

Affiant Introduction

Your affiant is currently employed as a Police Officer with the University of California Police Department (UCPD) on the Berkeley campus and has been employed by the UCPD System since January 2003. Your affiant worked as a patrol officer in the Patrol Division from 07/16/03 to 01/31/05 and as a detective in the Criminal Investigations Bureau since 02/01/05.

Case Background

For several months, multiple UC Berkeley faculty members have been targeted by people who object to research they have conducted using animals. UCPD has taken multiple reports of vandalism and noisy demonstrations that have taken place at the private residences of the researchers.

On 03/20/08, the following faculty members forwarded email messages to me [Redacted - Private Info]

[Redacted - Private Information]

The messages they received contained obscene language and were critical of them for performing research with animals. The message to [Redacted] was sent on 03/19/08 at 2032 hours. The subject line read, "WHY DO YOU TORTURE AND MURDER ANIMALS." The body of the message read, "you are a sick fuck [Redacted] the blood is all over your hands you greedy sick fuck." The message to [Redacted] was sent on 03/19/08 at 2037 hours. The subject line read, "STOP KILLING ANIMALS FUCKER." The body of the message read, "THE BLOOD IS ON YOUR HANDS YOU SPECIESIST SCUM. THEY DIE, YOU PROFIT. SICK MOTHERFUCKER"

The message to [Redacted] came from the email address of [Redacted]:08@yahoo.com." The sender's name was displayed as [Redacted] is another researcher at UC Berkeley. It was evident that the message did not actually come from [Redacted], but instead from an unknown person who used his name to create a phony email account.

The message to [Redacted] came from the email address of [Redacted]:333@yahoo.com." The sender's name was displayed as [Redacted] who is another researcher. This also appeared to be a phony email account.

[Redacted] received two harassing email messages. One from [Redacted]:08@yahoo.com and another from his own name with an email address of [Redacted]:01@yahoo.com." [Redacted], and [Redacted] each received one harassing email message from [Redacted]:08@yahoo.com. [Redacted] received a harassing email message from [Redacted]:01@yahoo.com. All of the messages arrived during the evening of 03/19/08.

Research of the messages to [redacted] and [redacted] revealed that the sender used IP address 208.106.103.213. I discovered this address belonged to a company call Sonic.net. A representative of the company told me they could release subscriber information for that IP address if they were provided with a court order. Determining this subscriber information would help to identify the person who sent the obscene email messages.

Ongoing Criminal Investigation: The information likely to be obtained pursuant to this order is relevant to an ongoing criminal investigation being conducted by the above agency.

Declaration: I declare under penalty of perjury the information in this application is true.
