To: Manager, System Support Group, Western Service Area

  
PER

From: Dean E. Fulmer  
Air Traffic Manager, Unmanned Aircraft Systems

Prepared by: Robbie McGrath  
Air Traffic Control Specialist

Subject: Certificate of Waiver or Authorization Extension for United States Special  
Operations Command Certificate of Waiver or Authorization 2011-WSA-54-  
COA

---

An extension is granted to the United States Special Operations Command to operate the A160 Unmanned Aircraft System in the Class D airspace of Southern California Logistic Airport, SCLA (VCV) and the transit corridor in Class G and E airspace between VCV and R2515 at or below 13,000 MSL.

The original effective dates were limited to the expiration date of the AWR. The proponent has provided an updated AWR with a new expiration date. Therefore, the new expiration date is May 31, 2012.
