Dear Aircraft Owner:

The Federal Aviation Administration has established a requirement to re-register all aircraft issued registration before October 1, 2010, by amending 14 Code of Federal Regulations, Part 47, as published in the Federal Register on July 20, 2010, page 41968. The amendment also provides that aircraft registrations issued on and after October 1, 2010, will expire after three years. These changes will keep the U.S. Civil Aircraft Register up-to-date, to provide reliable support to users of the registration system

The expiration date for the aircraft shown above is December 31, 2011. After this date, the aircraft's registration certificate will no longer support operation of the aircraft and the assigned N-number will no longer be authorized for use.

RE-REGISTRATION INSTRUCTIONS

NO CHANGES: If 1) the ownership and the registration addresses are unchanged; 2) the aircraft owner(s) still meet the citizenship requirements in 14 CFR §47.3; and 3) the aircraft is not registered under the laws of any foreign country, then:

Complete the Aircraft Re-registration Application, AC Form 8050-1A, on our web site, print it, sign it, and mail it with the \$5.00 re-registration fee to the FAA Aircraft Registration Branch (Registry) at the address shown below. The Registry will mail a form to the owner upon receipt of a request by telephone, FAX, or letter.

ADDRESS CHANGES: Unreported address changes must be included on the Aircraft Re-registration Application. This form is available and may be filled out on our web site. When all information is entered, print the form then sign and send it, with the \$5.00 fee, to the address shown below. The Registry will mail a form to the owner upon receipt of a request by telephone, FAX, or letter.

OTHER CHANGES: Aircraft owners are still required to notify the Registry when their aircraft have been sold, exported, or destroyed. These reports may be made with the Aircraft Re-registration Application.

EXPIRED AIRCRAFT: When aircraft registration is allowed to expire, the assigned N-number is no longer authorized for use and will be scheduled for cancellation. The aircraft owner may mail a request to both cancel and reserve the N-number in their name with the \$10 reservation fee to the Registry before the scheduled cancellation. If no request is made, the N-number will be cancelled and become unavailable for five years.

FEE PAYMENT sent by mail should be made by check or money order payable to the Federal Aviation Administration.
