Gentlemen,

As Flight Test Director, I am responsible for the airworthiness of the UAVs being tested and personally verify their condition and maintenance as well as flight test plans and procedures. This COA application 2008-ESA-31-COA for DragonEye UAS has been reviewed on behalf of applicant (b) (6) in accordance with MIL-HDBK-516 and has been determined to be airworthy for operation as specified in this application.

In addition to following MIL-HDBK-516, we employ a risk management plan and a comprehensive preflight inspection process to ensure the DragonEye airworthiness.

As Flight Test Director, I am the responsible reviewing authority for determining DragonEye airworthiness. If you have any questions, please feel free to contact me via telephone or email.

Sincerely,

(b) (6)
