Justin, I think we only need to change the cover sheet of the MOU but I don't have a recent automated copy...do you? Then I can update it or you can transmit just the 1st page and I will have the AG sign that one.

So far it's been quiet on our end...however, President Obama just arrived late last night.

Thanks,
Liane

Ok good. If you have an automated copy you can change it and swap out the first page on each MOU copy if want to change it, I have no problem with that.

Justin,

My bad... I missed the last paragraph change so both changes were addressed...so sorry. The only other thing is the title says MOU between FBI and HCJDC but the rest of the document references HDAG (Hawaii Department of AG). Not sure if this will be a "problem".

Thanks,
Liane

Hey, I don't have access to the MOU but our legal Danny Moye had no problem with the changes you suggested and I thought that I made all of them? I remember changing the wording about reviewing annually? Was that the only thing that was missed?

Justin,
I noticed that a couple of the changes that our legal had recommended to the MOU were not incorporated...see attached email. The 2nd bullet was updated...thanks! What was decided on the first bullet? I just need to know so that I can answer legal.

Thanks,
Liane

Hi Justin,
Your fax said that 2 copies were fedexed directly to the AG. Unfortunately, our SOP requires those to come to me first so that I can recommend signing to him along with legal review...I don't know that it will be signed by today...will that be a problem?

Thanks,
Liane
