**Attachments:** IPSFRP Technical Specification 2.0 [REDACTED]

Hey Liane,

Just wanted to give you a quick shout to see where Hawaii is in your system upgrade. Any chance of joining the facial recognition pilot soon? Also, I wanted to send you the new 2.0v of the IPSFRP Technical Specification (a much better read than the 1.0v ha ha). Hope all is well, let me know what's going on when you get a chance.

Justin C. Cook
