) Honorable Susan Illston

DAVIS WRIGHT TREMAINE LLP

1 1. I am an attorney for the Defendants in this matter and a member in good standing
2 of the California State Bar, and am admitted to practice before this Court. I have personal
3 knowledge of the matters stated in this declaration. If called upon to do so, I am competent to
4 testify to all matters set forth herein.

5 2. I am a Senior Staff Attorney at Electronic Frontier Foundation (“EFF”), which is a
6 non-for-profit corporation organized and existing under the laws of The Commonwealth of
7 Massachusetts with its principal place of business in San Francisco, California. I have been a
8 Senior Staff Attorney at EFF since 2007 and was a Staff Attorney before that beginning in 2004.

9 3. EFF generally represents clients without charge in precedent-setting litigation of
10 national importance involving novel and complex issues arising from the intersection of new
11 technology with privacy rights, free press and free expression rights, and other civil liberties.
12 Nevertheless, EFF attorneys have hourly rates for purposes of cases in which EFF is entitled to
13 attorneys’ fees.
14

15 4. My 2007 hourly rate, which is the hourly rate for purposes of this matter, is \$425
16 per hour.
17

18 5. I am familiar with the prevailing hourly rates in the San Francisco Bay Area for
19 lawyers of comparable education, expertise, and experience. As part of the process of setting
20 rates for EFF attorneys, I have researched and reviewed the hourly rates for lawyers of comparable
21 education, expertise, and experience at other law firms. My rates are well within the prevailing
22 hourly rates in the San Francisco Bay Area for lawyers of comparable education, expertise, and
23 experience who handle matters of the type involved in this litigation.
24

25 6. Courts have found EFF’s rates to be reasonable in several recent cases. In *Elec.*
26 *Frontier Foundation v. Office of the Director of National Intelligence*, No. 07-05278 SI, 2008
27 U.S. Dist. LEXIS 44050 (N.D. Cal. June 4, 2008), for example, this Court found my 2007 hourly
28 rates to be reasonable. In *Apple v. Does* (Santa Clara Superior Ct., Case No. 1-04-CV-032178),

DAVIS WRIGHT TREMAINE LLP

1 the court also found my hourly rate of \$425 to be reasonable. In *In re Sony BMG CD*
2 *Technologies Litigation* (S.D.N.Y. Case No 1:05-cv-09575-NRB), EFF attorneys, including
3 myself, were paid fees at their hourly rates as part of the settlement of the action in June 2006. *Id.*
4 at Dkt. No. 127. In addition, in *OPG v. Diebold*, 337 F. Supp. 2d 1195 (N.D. Cal. 2004), EFF
5 attorneys were paid fees pursuant to a settlement after a summary judgment victory at the
6 organization's 2004 hourly rates.

7
8 7. In 1997, I received my Juris Doctor degree from the University of California at
9 Berkeley School of Law (Boalt Hall), where I was an editor of both the California Law Review
10 and the Berkeley Technology Law Journal.

11 8. Before joining EFF in 2004, I worked for the law firms of Perkins Coie LLP (1999-
12 2004) and Severson & Werson PC (1997-1998). In addition, I was the Research Fellow to
13 Professor Pamela Samuelson at the University of California at Berkeley, School of Information
14 Management & Systems (1998-1999). I have authored more than 15 articles for legal
15 publications, and was a co-editor of the Electronic Media and Privacy Law Handbook (ISBN
16 1879650118). In 2007, I received a California Lawyer of the Year (CLAY) Award for Media
17 Law.
18

19 9. After a careful review of our files on the case, I estimate the minimum number of
20 hours I spent on the answer, motion for judgment on the pleadings, reply in support of the motion
21 for judgment on the pleadings, motion for judicial notice, and the motion for fees as follows:

10. In total, I spent no fewer than 6.1 hours on this litigation. At my hourly rates, my total fees are \$2,592.50.

I declare under penalty of perjury of the laws of the State of California that the foregoing is true and correct to the best of my knowledge and belief. Executed August 28, 2008 in San Francisco, California.
