STIPULATION AND AGREEMENT FOR COMPROMISE SETTLEMENT AND RELEASE; [PROPOSED] ORDER

Case3:09-cv-00168-JSW Document166 Filed03/29/12 Page2 of 13

1 Fourth Amendments to the United States Constitution, and under the Privacy Protection 2 Act, 42 U.S.C. 2000aa et seq. Plaintiffs alleged Federal Defendants Shaffer and Hart 3 violated Plaintiffs' Fourth Amendment rights under *Bivens v. Six Unknown Named Agents*, 4 403 U.S. 388 (1971) and claimed Federal Defendant the United States violated the 5 Privacy Protection Act. The Federal Defendants and University Defendants shall collectively be referred to herein as "Defendants." 6

7 2. This Stipulation and Agreement is entered into by and between Plaintiffs 8 Long Haul and EBPS and Defendants USA, Lisa Shaffer in her individual capacity, Mike 9 Hart in his individual capacity, Mitchell Celaya, in his official capacity, Karen Alberts, 10 Williams Kasiske, Wade MacAdam, and Timothy Zuniga, in their individual and official 11 capacities, and The Regents of the University of California ("The Regents"). The parties 12 acknowledge that The Regents, while not a party to the Action, has an interest in the 13 Action and in its resolution by virtue of the claims asserted against Mitchell Celaya and 14 other University Defendants sued in their official capacities.

15 3. The parties to this Stipulation and Agreement do hereby agree to settle, 16 compromise and dismiss the above-captioned action ("the Action") under the terms and 17 conditions set forth herein.

18 4. This Agreement does not constitute an admission by Defendants, or any of 19 them, of any liability whatsoever; or that any person or entity acted wrongfully, improperly, 20 unjustifiably or otherwise; or that any person or entity has any rights whatsoever against 21 any other. Defendants each specifically disclaim any liability to or wrongful acts against 22 any person or entity, including Plaintiffs. This Agreement shall not serve as evidence or 23 notice of any wrongdoing or misconduct by or on the part of any Defendant. This 24 Agreement is entered into by Defendants solely to avoid the uncertainty of litigation and 25 the expense in time and money of further litigation.

26 5. On August 27, 2008, the University of California Berkeley Police 27 Department ("UCBPD"), with the assistance of Defendants Shaffer and Hart, executed a 28 search warrant at the Long Haul Info Shop at 3124 Shattuck Avenue, Berkeley, California.

SCHIFF HARDIN LLP ATTORNEYS AT LAW SAN FRANCISCO

Case3:09-cv-00168-JSW Document166 Filed03/29/12 Page3 of 13

Officers were investigating a series of threatening emails sent to animal researchers at the
 University of California Berkeley campus. These emails had been traced to an internet
 protocol ("IP") address assigned to Long Haul.

6. In executing the search warrant, all computers found on the Long Haul
 premises were seized, including computers available for public use in Long Haul's internet
 room ("the public-access computers"); computers used by Slingshot (a newspaper
 published by Long Haul from the Shattuck Avenue location); and a computer belonging to
 Plaintiff EBPS.

9 7. Defendants had probable cause supporting seizure of the public-access
10 computers from the Long Haul premises. The parties dispute whether Defendants had
11 probable cause supporting seizure of the other computers from the Long Haul premises.
12 Plaintiffs dispute whether there was probable cause supporting the scope of the search of
13 the public access computers.

8. After the completion of its investigation concerning the threatening emails
 originating from Long Haul, UCBPD determined there was no evidence of criminal activity
 on the part of Long Haul, Slingshot, and/or EBPS in connection with the crimes under
 investigation.

9. UCBPD acknowledges that at the time of the execution of the search
 warrant, Long Haul was a publisher protected by the Privacy Protection Act ("PPA"), and
 therefore, the PPA prohibited the seizure of any protected work product materials related
 to the dissemination of Slingshot, except as provided for in the PPA. UCBPD has denied
 that it was aware at the time the search warrant was executed that Long Haul was a
 publisher protected by the PPA.

24 SETTLEMENT TERMS

10. In consideration of the promises and undertakings set forth in this
Stipulation and Agreement, and upon advice of counsel, Plaintiffs Long Haul and EBPS
agree to dismiss with prejudice all of the claims against the Federal Defendants and the
University Defendants. Plaintiffs, within three business days of the execution of this

Stipulation and Agreement, will execute a Stipulation and Proposed Order of Dismissal,
 which shall dismiss with prejudice all claims that were asserted or that could have been
 asserted in the Action. Counsel for Defendants will hold the executed Stipulation and
 Proposed Order of Dismissal until performance of the terms of settlement described herein
 is completed, at which time Defendants will file the Stipulation and Proposed Order of
 Dismissal.

11. Upon execution of this Agreement by Plaintiffs and their counsel of record,
the parties will file a Stipulation and Proposed Order staying all proceedings and deadlines
in the District Court and in the Ninth Circuit Court of Appeals for ninety (90) days. Plaintiffs
Long Haul and EBPS accept the terms set forth herein as a full and final settlement with
the Federal Defendants and the University Defendants.

12 12. Plaintiffs Long Haul and EBPS hereby release and forever discharge each 13 Federal Defendant, each University Defendant, The Regents, and/or their respective 14 predecessors, successors, affiliates, agents, officers, representatives, or employees 15 (hereafter "the Released Parties") of and from all Released Claims as defined in 16 paragraph 14 hereof. Plaintiffs, or either of them, shall not now or hereafter initiate. 17 maintain, or assert against the Released Parties, or any of them, any cause of action or 18 claim for equitable, legal and/or administrative relief arising out of any Released Claim as 19 defined herein; provided, however, that nothing in this Stipulation and Agreement shall 20 preclude any party hereto from filing any motion, action, or proceeding seeking 21 enforcement of its terms.

13. On November 29, 2011, Plaintiffs Long Haul and EBPS further agreed to
file a stipulation and proposed order for dismissal with prejudice of all claims against in
favor of Federal Defendant Shaffer and Federal Defendant Hart. Plaintiffs will do so on or
before January 27, 2012. If thereafter the United States does not agree to the terms of
settlement described herein, lead counsel for the parties shall meet and confer within five
days, and agree on the language of an appropriate notification to the Court within ten days
confirming that there is no settlement between Plaintiffs and any Federal Defendant and

that Plaintiffs may then reinstate the claims against Federal Defendant Shaffer and 1 Federal Defendant Hart. 2

3	14. For purposes of this Stipulation and Agreement, "Released Claims" means
4	any and all claims, causes of action, rights, offsets or liabilities, whether known or
5	unknown, alleged or not alleged in the Action, arising under common law or under any
6	statute, rule, regulation, order or law, whether federal, state or local, which Plaintiff Long
7	Haul and/or EBPS had, now has, or may in the future have with respect to any conduct,
8	act omissions, facts, matters, transactions, or occurrences prior to the Effective Date of
9	this Agreement arising out of or relating directly or indirectly to the search of the Long Haul
10	premises by Defendants on August 27, 2008. Without in any way limiting the scope of the
11	Release, the term "Released Claims" includes any and all claims for attorneys' fees, costs
12	or disbursements incurred by Plaintiffs, or by counsel representing Plaintiffs, in connection
13	with or related in any manner to the Action, the settlement of the Action, and/or the
14	administration of such settlement
15	15. Waiver of California Civil Code § 1542: The provisions of California Civil
16	Code Section 1542 are set forth below:
17	"A general release does not extend to claims which the
18	creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or
19	her must have materially affected his or her settlement with the debtor."
20	Plaintiffs, having been apprised of the statutory language of Civil Code Section 1542 by
21	their attorneys, and fully understanding the same, nevertheless elect to waive the benefits
22	of any and all rights they may have pursuant to the provision of that statute and any similar
23	provision of federal law. Plaintiffs understand that, if the facts concerning Plaintiffs'
24	claimed injuries and/or the liability of Defendants pertaining thereto are found hereinafter
25	to be other than or different from the facts now believed by them to be true, the Stipulation
26	and Agreement shall be and remain effective notwithstanding such difference.
27	16. The Federal Defendants and the University Defendants jointly agree to pay
28	Plaintiffs the total sum of one thousand five hundred and fifty dollars (\$1,550.00) in actual

and statutory damages. The Federal Defendants and the University Defendants further
 agree to pay attorney's fees and costs in the total sum of ninety eight thousand four
 hundred and fifty dollars (\$98,450.00). The foregoing payments, taken together, comprise
 the total settlement amount of one hundred thousand dollars (\$100,000.00) ("Settlement
 Amount"). Plaintiffs are not liable for any of Defendants' fees or costs in this matter.

17. 6 Defendants agree to pay Plaintiffs the total settlement amount within sixty 7 (60) days after receipt by counsel for the University Defendants and the United States 8 Attorney's Office for the Northern District of California of a fully executed Stipulation of 9 Dismissal. Counsel for Defendants will hold this fully executed Stipulation of Dismissal 10 and will file it with the Court after payment of the total settlement amount is made. This 11 sum shall be payable solely by the Regents of the University of California and the United 12 States, not by Federal Defendants Hart or Shaffer or by University Defendants Celaya, 13 Kasiske, Alberts, Zuniga, or MacAdam, and Plaintiffs agree they will not seek payment 14 from any source other than said payments.

15 18. The University Defendants and the Federal Defendants agree to dismiss 16 their respective appeals to the Ninth Circuit Court of Appeals in this matter with prejudice 17 simultaneously upon filing the Stipulation of Dismissal dismissing the Action with prejudice. 18 The University Defendants, after obtaining any necessary approval from the Alameda 19 County Superior Court, will destroy the data on each of the imaged hard drives in 20 UCBPD's possession which were copied from the computers seized during the August 27, 21 2008, search of the Long Haul premises. University Defendants will retain the hard drives 22 belonging to them that housed this imaged data. The University Defendants will also 23 destroy, after obtaining necessary court approval, 1) the compact disc and any hard 24 copies reflecting the materials and information marked as Exhibit 11 to the deposition of 25 the Silicon Valley Regional Forensic Computer Laboratory taken in the Action ("the 26 Beeson Deposition"); and 2) any copies in their possession of the document marked as 27 Exhibit 10 to the Beeson Deposition. The USA will destroy any copies in its possession 28 (whether maintained in electronic form or in hard copy) of the information that corresponds

Defendants represent 3 that they did not make any copies of any data from the hard drives seized during the 4 August 27, 2008 search of the Long Haul premises, except as disclosed during discovery 5 conducted in the Action.

19. 6 UCBPD will continue to implement training on the provisions of the PPA 7 that it developed following the search of August, 2008, and will make that training a part of 8 the recommended training for UCBPD detectives to be conducted in person by a vendor or 9 by in-house trainers. The training on the PPA will include a statement that the applicable 10 legal standard that applies in determining whether the police knew or should have known 11 whether the subject of a search warrant is a publisher protected by the PPA is as follows: 12 In view of the facts known to the officer at the time, would a reasonable officer believe that 13 the target of the search warrant is a publisher protected by the PPA?

14 20. UCBPD will ensure that its training materials addressing searches and 15 seizures include the following statement, with reference to search warrants that are sought 16 in connection with the search of a multi-unit building, where probable cause is based in 17 whole or in part on an IP address which corresponds to the physical address of the 18 building: "When requesting a search warrant based on the identification of an IP address, 19 the affiant shall take reasonable steps to limit the scope of the warrant to searches of only 20 those units or computers for which there is probable cause."

21 21. UCBPD may modify, amend, rescind or revise the training materials 22 referred to in this Stipulation and Agreement if it has a good faith basis for doing so in 23 order to reflect changes in applicable law.

24 22. Nothing in this Stipulation and Agreement shall be construed to create a 25 consent decree between the parties or to permit the Court to retain jurisdiction, after entry 26 of the Order of Dismissal, over the enforcement of this Stipulation and Agreement.

27 23. This Stipulation and Agreement contains the entire agreement between the 28 parties with regard to the settlement of the Action, and shall be binding upon and inure to

the benefit of the parties hereto, jointly and severally, and the heirs, executors,
 administrators, personal representatives, successors, and assigns of each. This
 Stipulation and Agreement may not be altered, modified or otherwise changed in any
 respect except by writing, duly executed by all of the parties or their authorized
 representatives.

6 24. This Stipulation and Agreement is entered into in the State of California
7 and shall be construed and interpreted in accordance with its laws. Terms contained
8 herein shall not be construed against a party merely because that party is or was the
9 principal drafter.

10 25. This Stipulation and Agreement may be pled as a full and complete 11 defense to any action or other proceeding that arises out of the claims released and 12 discharged by this Stipulation and Agreement, and/or the facts, circumstances, subject 13 matter or allegations giving rise to those claims, which are also released and discharged 14 by this Stipulation and Agreement. Payment of the Settlement Amount will be made by an 15 electronic transfer made payable to the Electronic Frontier Foundation, which will receive 16 payment of the Settlement Amount on behalf of plaintiffs and co-counsel as agreed by 17 Plaintiffs. The Settlement Amount will be delivered to the Electronic Frontier Foundation 18 at the following address: Matthew Zimmerman, Electronic Frontier Foundation, 454 19 Shotwell St. San Francisco, CA 94110. The Defendants will pay the Settlement Amount 20 to Plaintiffs, as follows: (1) The United States will pay Twenty Five Thousand Dollars 21 exactly and (2) The Regents will pay Seventy Five Thousand Dollars exactly. Payment of 22 the Settlement Amount shall be deposited by electronic fund transfer to the bank account 23 Plaintiffs shall designate in an Electronic Funds Transfer enrollment form the Plaintiffs will 24 provide to the undersigned counsel for Defendants within five days of executing this 25 Agreement. Plaintiffs' counsel will provide the necessary information for processing of the 26 Settlement Amount in the Electronic Funds Transfer enrollment form, including taxpayer 27 identification numbers ("TINs") and bank account and routing information. Plaintiffs and

4 26. Plaintiffs and Plaintiffs' attorneys are responsible for payment of any taxes that may be due on the settlement proceeds. Defendants make no representation as to any tax consequences or liabilities Plaintiffs or Plaintiffs' attorneys may incur as a result of this settlement. Defendants will not withhold any taxes of any kind. The determination of 8 Plaintiffs' tax liability, if any, is a matter solely between Plaintiffs, Plaintiffs' attorneys, the 9 IRS and/or state and local tax authorities.

10 27. In entering into this Stipulation and Agreement, Plaintiffs represent that 11 they have relied upon the advice of their attorney, who is the attorney of their own choice, 12 and that the terms of this Stipulation and Agreement have been interpreted, completely 13 read and explained to them by their attorney, and that those terms are fully understood and voluntarily accepted by Plaintiffs. Plaintiffs also represent and warrant that no other 14 15 person or entity has or has had any interest in the claims or causes of action referred to 16 herein, that they and their attorney have the sole right and exclusive authority to execute 17 this Stipulation and Agreement and receive the consideration specified herein, and that 18 they have not sold, conveyed, assigned, transferred, or otherwise disposed of any of the 19 claims or causes of action referred to herein.

20 28. All parties agree to cooperate fully and to execute a Stipulation to Dismiss 21 and any and all supplementary documents and to take all additional actions which are 22 consistent with and which may be necessary or appropriate to give full force and effect to 23 the basic terms and intent of this Stipulation and Agreement.

24 29. If any provision of this Stipulation and Agreement shall be held invalid, 25 illegal, or unenforceable, the validity, legality, and enforceability of the remaining 26 provisions shall not in any way be affected or impaired thereby, provided, however, that if 27 the University Defendants are unable to secure any necessary approval from the Alameda 28 County Superior Court for the destruction of the data on the imaged hard drives as

contemplated in paragraph 18 hereof, counsel for all parties shall promptly meet and
 confer in order to determine a mutually acceptable means of ensuring said data will not be
 accessed by Defendants or others for any purpose.

30. This Stipulation and Agreement may be executed in counterparts by the
parties hereto, each of which shall be deemed an original, and which together shall
constitute the same instrument, having the same force and effect as if a single original had
been executed by all parties. The parties agree to accept facsimile transmission
signatures and PDFs transmitted by email as though they were original signatures on this
document.

31. The persons signing this Stipulation and Agreement warrant and represent
that they possess full authority to bind the persons and entities on whose behalf they are
signing to the terms of this Stipulation and Agreement.
