USAT LAWSUITS AND SUBPOENAS

I invite you click on the link below and read about the manner in which USA Technologies treats posters on this board who have incurred their wrath.

In brief, I am in a legal battle with USA Tech. They have filed a federal lawsuit against me in PA. In conjunction with the suit, they have subpoenaed Yahoo!, based in CA, in order to discover my identity and that of another poster.

They're going to lose. Their case is baseless. It was meant to silence criticism of a management. It was meant to harass. The court will tell them that.
